

## Level 3 Diploma in Health and Social Care

Qualification listed on OfQual website | Accredited by QUALIFI, UK | Assignment based | Tutor support via live chat

### Overview

This 60 credit Level 3 Diploma Health and Social Care Management Qualification is designed for managers in various types of organisations including hospitals and care homes in both the public and private sector.

Whilst the core competencies were drawn from the British healthcare system it has also been carefully considered that many managers may wish to use these qualifications abroad and so international aspects of healthcare policy and practice have also been included.

It is equivalent in size and level to an A level and an Access to Higher Education qualification.

### Progression

Learners who complete this qualification can progress to study a variety of level 4 qualifications, including our Level 4 Diploma in Management for Health and Social Care or BSc (Hons) Integrative Health and Social Care degree programme.

### Equivalences

This qualification at RQF Level 3 represent practical knowledge, skills, capabilities and competences that are assessed in academic terms as being equivalent to GCE AS/A Levels.

### Qualification structure

Level 3 Diploma in Health and Social care consists of 4 mandatory units for a combined total of 60 credits.
